Hiring Team
ARC Resources Ltd. (Information Management)
Calgary, AB

Re: Information Management Summer Student

Dear Hiring Team,

I am writing to apply for the Information Management Summer Student position at ARC Resources. As a third-year Computing Science co-op student at Thompson Rivers University, I'm drawn to the chance to support information management at an energy company operating at real scale.

As Systems Analyst Intern with the City of Merritt, I managed 163 IT tickets spanning information and records management, access control, and hardware, and built a full CityWide REST API runbook through hands-on testing.

As Co-Founder of BecomeAfish and InferenceSaver, I've built and operated production software platforms end to end, giving me a well-rounded technical foundation.

I would welcome the opportunity to discuss how my information management experience could contribute to your team.

Thank you for considering my application.

Sincerely,

Mandeep Singh
