Hiring Team

Scotiabank (Trade Floor Technology Consultant, Req 59053)

Toronto, ON

Re: GBM - Trade Floor Technology Consultant Internship/Co-op

Dear Hiring Team,

I am writing to apply for the GBM - Trade Floor Technology Consultant Internship/Co-op (12-16 Months) position at Scotiabank. As a third-year Computing Science co-op student at Thompson Rivers University, I'm drawn to the longer term as a chance to make a deeper contribution to trading technology.

As Systems Analyst Intern with the City of Merritt, I managed 163 IT tickets and built a full REST API runbook through hands-on curl and PowerShell testing, developing a methodical approach to enterprise systems.

As Co-Founder of BecomeAfish and InferenceSaver, I've built and operated production software platforms end to end, giving me a well-rounded technical foundation.

I would welcome the opportunity to discuss how my systems experience could contribute to your team over this longer term.

Thank you for considering my application.

Sincerely,

Mandeep Singh
